FRIDAY LETTER

Dear parents and carers

Parent Consultations for Year 5 to Reception Tuesday 5th April and Wednesday 6th April

Letters came home earlier in the week inviting you to attend our Parents' Evening on Tuesday 5th and Wednesday 6th April. The meetings will be in person and we are very much looking forward to welcoming parents and carers back into school. Please visit <https://crookhill.schoolcloud.co.uk/> to book your appointments.

Brilliant Basketball

As reported in last weeks newsletter, Year 5 took part in the Newcastle Eagles Hoops4Health Tournament on Friday, with all teams playing wonderfully well. Team A were undefeated and kept clean sheets in every match, making it through to the semi-finals next Friday! Brilliant team work exhibited from you all. The semi-finals take place on April 1st at the Newcastle Eagles arena on Scotswood Road in front of the Eagles home crowd. Come on Crookhill Cobras!

Super Science

This week, school council have helped to judge the Science week poster competitions. They had a really tricky job as all the entries were fabulous. Two winners from each class were presented with their 'This is what a scientist looks like' badges. Our school councillors also judged the entries for the British Science Week poster competition. The three winning posters will be entered into the national competition. Well done to Lexie Dodds (Y4), Ava Atkinson (Y4) and Maisie Luy (Y6).

Fantastic Football

Our Year 5/6 football team were in action again last night for the final round of fixtures. Looking comfortable in second place with a 6-point advantage over third place, it should have been an easy ride to the finals next week. Of course, that's not how football goes! Going into the final game, there were three teams still in contention for the second place position. Thankfully, Lewis D popped up with a screamer and the boys hung on to seal a 1-0 victory and secure that precious place in the finals next week. Congratulations to Emmaville who

Working together, we succeed

won the league and were presented with the winners' shield last night. We look forward to having a full-strength team next week as we return to Ryton Juniors for the league finals on Thursday.

Easter Egg competition

Our legendary Easter egg competition, a real Crookhill favourite, returns this year. Judging will take place on Friday 8th April and although we haven't set a theme, it would be wonderful to see some of the children's learning coming through in their entries. Recent topics throughout school have been the Romans, local history and places of interest, art and artists and of course famous scientists. Get cracking on your entries, scramble those brains and don't go poaching anyone else's ideas 😊.

Enjoy your weekend and we'll see you all on Monday.

Yours sincerely,

Miss K McCormack
