FRIDAY LETTER

Dear parents and carers,

Welcome back to Crookhill Primary after the Easter break. I hope you all enjoyed the fine weather and are well rested and ready for the busy summer term ahead. I am pleased to see that the children have returned to school full of enthusiasm and with a positive attitude to their learning.

New Coronavirus Guidance

If your child has tested positive for Coronavirus, they should isolate for 3 days. If they have a normal temperature and feel well after this period of isolation, they should return to school. There is no need to test again.

If you have any queries on the new guidelines, please contact the school office on the number above.

Sporting Activities

We are delighted to have three sports coaches in school this term. The Newcastle Eagles basketball coach will be back in school for both PE sessions and afterschool club, and the NUFC coach will take PE lessons and deliver clubs throughout the weeks ahead.

We also welcomed Dylan Matthews, a Cricket Coach from Ryton Cricket Club earlier this week. Mr Matthews will be helping pupils brush up their cricket skills during the term.

Afterschool Clubs

A new list of Afterschool Clubs will be sent home next week. Please remember there will be limited spaces but hopefully we will be able to accommodate everyone in one of their chosen activities.

Parking Reminders

Can we remind parents and carers to park with consideration for our neighbours, other road users and pedestrians. Avoid parking too close to the junction with Stargate Lane as this creates a dangerous crossing hazard. Only use the bays available in the visitor car park, turn off your engine whilst waiting to pick up and do not reverse out onto the main road. If possible, walk to school, this improves your physical and mental health and the environment.

Working together, we succeed

There are lots of events on the school calendar for this term. Please see the list of Diary Dates attached, we will keep you informed of any changes over the coming weeks. Parent Information Booklets will be available on the school website outlining what your child will be covering in class this term, plus any dates of class activities.

Enjoy the long Bank Holiday weekend and we'll see you all on Tuesday.

Yours sincerely,

K McCormack
Head Teacher
